Preschool & Pre-K Nap Mat Information

Dear Preschool & Pre-K Parents,

In purchasing a nap mat, please be mindful of the following policy:

- ***All nap-mats should not exceed 46 X 21 in dimensions.***
- We have found that the nap mat style with the built in pillow and the blanket attached to one side works best.
- The nap mat should be easy to fold to be placed in each child's cubby and also neatly fit in each child's backpack.
- Preschool students will also need a plastic folding mat to lie under their fabric nap mat. Usually these plastic mats are red and blue and can be purchased at Wal-Mart or Target beginning in July. (Kindermat)

Remember to label your child's nap mat with their name.

If you have any questions or concerns, please feel free to contact me. I hope your family is enjoying the summer, and I look forward to seeing you in August.

Sincerely in Christ,
