

Summer C.A.S.C.A.D.E. workshops!

Creative Arts of the Stage, Costumes, Acting, Design, and Entertainment

Join us for theatre fun in June, July, or BOTH!

June will be a crash course in playwriting, directing, & acting!

Do you like creating short plays or videos? Do you have a vision?

Let's make your vision become a reality! Actors needed!

Monday, June 18th through Friday, June 22nd from 2-4pm

July will cover creative stage make-up & stage crafting props!

Behind all great actors are the designers that bring their characters & stories to life.

Come learn how to do glamour, fantasy, old age, wounds, and animal make-up. You will also learn how to create any kind of prop! Come release your inner artist!

Monday, July 16th through Friday, July the 20th from 2-4pm

A performance will follow the end of June's workshop. In July, the students will present their designs & final products.

Participants must have completed 1st grade up to 8th grade

\$125 per workshop or \$225 for both workshops

Please make checks payable to Sarah Holeman-Jewell
