

SUMMER 2017

TAE KWONDO at OSL

With Master Wright

Beginning June 5th, I will be offering Tae Kwondo classes on Tuesday and Thursday afternoons on campus. During the school year I teach afterschool classes to the preschool, pre-k, kindergarten and first grade children. I am a 4th degree black belt and Master Instructor of Tae Kwondo with more than eight years of teaching experience.

Martial arts has many benefits for children. Co-ordination and focus improve. Older children become more responsible. Younger children become more independent. Children gain self-confidence.

This Summer I am offering classes to ALL age groups. The children in the class for 2nd graders and above will have the opportunity to test for Orange belt if they begin classes during the first two weeks and continue the program throughout the entire summer. At this time I will not be able to offer a class afterschool for this age group. I will continue to teach classes for the younger children during the school year. Younger children learn at a different pace and their achievement will be recognized in a way other than a new belt during the summer session. Children currently taking class from me during the school are welcome to attend this summer, however they will not earn the next belt during the summer due to the short amount of time. I offer 25 minute classes to preschool, pre-k, kindergarten, and first grade children. Classes for the older kids are 45 minutes long.

There is a registration fee of \$75.00. This includes registration with the AAU and a student uniform with a white belt. If your child participated during the school year this past year, you do not need to pay the registration fee again at this time. The monthly fee for classes is \$100.00 for two classes per week and it is due the first week of each month your child participates in classes. There will be a testing fee for children testing for Orange belt. The fee for August will be adjusted to reflect the ending of the the Summer activities at the school. You may combine the registration fee and the first monthly fee at this time.

Class times, ages, for classes are listed below. The schedule is subject to changes based on the interest level.

1:00 - 1:25 preschool, prek, kindergarten and 1st graders ages 4 - 7

1:30 - 2:15 2nd graders and above

Please register by May 30th, to ensure that I have the proper count and sizes of uniforms for the children. Both a registration form and waiver must be filled out and signed before your child may begin classes.

I look forward to Summer with OSL. If you have any questions please feel free to contact me. My e-mail is stacyblkft@gmail.com.
